

Bethany Evangelical Church

Scriptures - overview

General Definition:

The Scriptures, generally referred to as the Holy Bible, is a collection of writings considered by Christians as sacred and inspired by God.

Key Components:

The Bible, or The Scriptures, includes the Old Testament (also known as the Hebrew Bible or Tanakh) and the New Testament.

Purpose:

The Scriptures are viewed as a source of spiritual guidance, offering insights into God's nature and humanity's relationship with God, together with life guides and moral principles.
