Malachi - November and December 2024

During the next couple of months we will be looking at the final book in the Old Testament which is traditionally recognised to have been written by the prophet Malachi, his name means "My Messenger."

Malachi addresses spiritual apathy and social corruption; his messages about true worship, justice, and faithfulness will resonate with Christians today, reminding us of God's constant call for us to have a sincere and real relationship with Him together with living ethically.
