

Bethany Evangelical Church

Charitable Incorporated Organisation

During the 2019 Annual Fellowship Meeting, it was explained that the Trust which runs Bethany was to be changed from a Registered Charity to a Charitable Incorporated Organisation (CIO).

With the approval of the Charity Commission this change will take place and be effective from 1 January 2020. The old Trust will effectively cease to operate at the end of this year and the new Trust will then take over. As explained previously, this will not make any practical difference to the members in the way that Bethany will be organised or operate but should enable Bethany to continue for many more years.
