

Bethany Evangelical Church

Norman Thompson's members photo album

Bethany Church during the late 1970 and 80's had a large congregation and some of the congregation were unsure of others peoples names, so Rhoda's dad Norman Thomson, had the great idea of producing a Bethany 'Members' photo album with names attached, the album wasn't a comprehensive or a complete congregation list but it helped a great deal. The album was left at the rear of the church for all to see/use.

The photo album had been searched for over a number of years and now finally found, thanks to Roger Fruen. Finding the album provoked the idea that these photos of a past and some present generations of our Bethany congregation could be transferred and uploaded to our website, thus a sort of tribute to them and their faithfulness and their contribution to our Bethany assembly.

The task of scanning, adjusting the old photos then uploading and creating a new look web album for them took a little longer than expected - however, both the 1st and 2nd galleries were completely revised and a new 3rd Gallery has been produced - the 'Norman Thomson' gallery!

PS Rhoda Brunt now has her Dad's original album back at home.
